"Truman" is a 7 year old chestnut gelding who is easy to handle, calm, sane, sweet-tempered and sound. He has wonderfully smooth, rhythmic gaits and is elegant and self-assured both on the flat and over fences.

An experienced show veteran, Truman travels easily and settles in at new places quickly. This year he has been showing at 3' - 3'3" and schooling at 3'6". He scored 81 and 82 points in Low Hunters at Pebble Beach in 2008.

Truman has been in full training with Alejandro Salazar for the past two years. He is suitable for all levels of riders, from beginners in a regular training program to intermediate and advanced riders.
